Section VII: Parent/Guardian Agreement

As a partner in your child's positive development, the Boys & Girls Club of the Umpqua Valley is committed to providing the best possible after-school program for your child. The following are expectations for parents/guardians of members of the Club.

Please initial your understanding of each statement:

_____ The Boys & Girls Club is a youth development program; not a child care facility. The program design requires members to be self-directed and responsible for choosing a program area throughout the day from the schedule provided. Our staff helps guide members through problem-solving and decision making. If you believe your child would be better suited to a child care environment, we are happy to provide information on child care options in the community.

_____ The Club operates with a "Safe Passages" policy. For members under 6th grade, a parent, guardian, or other adult must come to the Greeter's desk to pick up his/her child. Members in 6th grade and up may leave the Club unescorted with written permission from a parent/guardian and a signed release of liability. No member will be allowed to return to the Club once they leave the premises for the day. It is each parent's responsibility to discuss the Safe Passages Policy with his/her child and ensure that he/she complies.

_____ Be sure that your child has his/her membership card every day. Scanning in and out of the Club each day your child attends is **mandatory**. The member's participation in most Club activities is also dependent on having their card with them as they move from area to area. If your child comes without a membership card, a courtesy note will be given as a reminder. If your child comes without a membership card a second time, a replacement card, bag tag, & lanyard will be provided to your child and a **\$5.00 fee will be charged to your account**.

_____ I understand that my child must attend a full day of school in order to attend the after-school program.

_____ I understand that any violation of Club rules by my child will result in disciplinary action as laid out in the member's Code of Conduct. I accept that the Club has the right to take the disciplinary action necessary.

_____ I understand that my child's account of an event may differ from that of another member and/or staff member. In these situations, the staff does their best to determine the truth and to administer discipline fairly. By allowing my child to come to the Club I understand that I must respect and support Club Director's decisions regarding incidents that occur.

_____ If my child is sick or injured or if he/she is suspended due to a discipline issue, I am required to pick up my child within 1 hour of notification by the Club.

_____ I understand that I am expected to pick up my child on time. The Club closes at 6:30pm during the school year and 5:30pm during the summer, winter and spring breaks. If your child is picked up late, the Greeter will issue a warning notice. If your child is picked up late a second time, your child's membership may be suspended and a \$50.00 late pick up fee will be assessed in order to reinstate the membership.

Parent/Guardian Agreement continued

_____ Parents, guardians or family members who exhibit behavior or language that is offensive and/or inappropriate **or** engage in physical/verbal abuse or threat of harm to any staff, volunteer or member will be subject to removal from the facility.

_____ I acknowledge that I will encourage my child's positive participation in Club programs and will adhere to all Club policies. I understand that failure to abide by these rules could result in suspension of my child's membership.

Section VIII: Parent/Guardian Permission

_____ I give permission for my child to become a member of the Boys & Girls Club of the Umpqua Valley and take part in the club's athletic, educational, cultural and social activities.

_____ I allow my child to be transported to participate in off-site activities while accompanied by leadership staff. I understand that reasonable measures will be taken to safeguard the health and safety of all participants.

_____ I waive any claims against the board, staff or volunteers except claims arising from gross negligence or willful acts of the board or its agents that may arise from participation in Club activities.

_____ I give permission for the Club to use photographs and/or videos in which my child appears for publicity or programming purposes.
