

**BOYS & GIRLS CLUB
OF THE UMPQUA VALLEY**

March 13, 2020

Dear Parents,

It's important that you know the safety and protection of your children is the number one priority of the Boys & Girls Club of the Umpqua Valley. In light of the recent announcement by the Governor to close all schools, and also our long-term policy of following our local school district calendar, we have made the difficult decision to close the Club, March 16-31.

During that time, we will continue to clean and disinfect our facility. This closure ensures all kids, staff and volunteers are safe when the Club reopens. Should this date change upon the need for additional precautions, we will update you with this information immediately. We fully understand the implications our closure has on both your child and family. In the meantime, we are advising all our Club staff, families, and youth to continue to take preventive measures as recommended by health officials.

Should you have any questions or concerns, please do not hesitate to contact me. We will continue to update you with any new information. As always, our commitment to our Club members and their families is unwavering.

Sincerely,

A handwritten signature in black ink that reads "Bryan Lake". The signature is written in a cursive, flowing style.

Bryan Lake
Executive Director
